## AUDIOVISUAL EQUIPMENT UPGRADE

### Maurice O'Bready Theatre

Sherbrooke, Quebec, Canada, 2014

The Maurice O'Bready theatre is the Université de Sherbrooke cultural centre's main venue. With a seating capacity of 1,501, it is one of Québec's largest theatres. In 2014, the theatre's management decided to modernize the facilities, including transitioning the audiovisual system to digital.

#### Description

XYZ Cultural Technology supplied and installed all the audiovisual equipment for the Maurice O'Bready theatre and its foyers. The proposed solution includes Outline speakers, video projectors, a display screen and a digital mixing console. XYZ also supplied the stage lighting.
