QASR AL WATAN

EXHIBITIONS AND MUSEUMS

Semi-permanent exhibition

To celebrate the heritage of the country, Sheikhs Khalifa bin Zayed Al Nahyan (Ruler of Abu Dhabi and President of the United Arab Emirates) and Mohammed bin Zayed Al Nahyan (Crown Prince of Abu Dhabi and Deputy Supreme Commander of the UAE Armed Forces) decided to open the palace to the public in 2019. Prior to its opening, the palace was used only for official purposes, Mainly hosting foreign leaders of states, and for meetings of the country's supreme council and federal cabinet. Even after being opened to the public, the palace continues to be used for these purposes.

Description

XYZ was tasked with integrating a dismantlable, and controllable lighting system for a semi-permanent exhibition space while ensuring the protection and preservation of valuable artifacts. This system is designed to adjust lux levels, provide UV protection, and can be controlled either individually or through a daily scheduler.
