THE CANADIAN IMMIGRATION STORY

HISTORICAL EXHIBITION

Canadian Museum of Immigration at Pier 21

Halifax, Nova Scotia, Canada, 2015

Canada's newcomers have shaped this country in countless ways. Its evolving culture, economy and way of life are explored throughout the monumental contributions of immigrants that have arrived via Halifax. *The Canadian Immigration Story* is an exhibition that showcases these influences and accomplishments through the years.

Description

XYZ Cultural Technology created the interactive stations of this emotional audiovisual exhibition. All staging and lighting elements were also designed and installed by XYZ.
