A MAKEOVER FOR THE TNM

AUDIOVISUAL UPGRADE

Théâtre du Nouveau Monde

Montreal, Quebec, Canada, 2011

Under the general and artistic direction of Lorraine Pintal, the Théâtre du Nouveau Monde offers all the theater classics. The TNM produces and stages major national and international works while favoring creativity.

Description

In 2010, XYZ Cultural Technology helped the TNM to upgrade its audiovisual equipment and to install an audio system for the hearing impaired.
